YOUNG ADULTS

Next Sunday, June 13 at 7pm we meet again on zoom to discuss the questions: How were people saved who lived in the Old Testament? What about people who never hear the gospel? Is there hope for anyone who doesn't hear about Christ? Contact Pastor Joe if you have any questions.

YOUTH GROUP

We continue to meet Wed. nights on zoom and our new topic for a few weeks is on The Art of Neighboring: Do we know our neighbors? What does it look like to be a good neighbor? How do we "live in the world, but not of the world" with our neighbors who are different from us? These are some of the questions we're considering in this series. All youth are welcome to join us Wednesdays, 7:30pm. Pretty soon we'll be outdoors again!!

PRAYERS THIS WEEK

- We pray for all families as they continue to learn at home with their kids as our schools remain closed till the fall. May we all work together to build relationships that bring us together as a community.
- We pray for the vaccine rollout as we battle COVID 19 and all of its many variants of concern in our area. May we be unified as a congregation as we demonstrate the love of God to others.
- We think of those in our church who are struggling with health issues, for those with cancer, or other conditions, for those recovering from surgery or an accident.
- We pray for new people moving into our community this summer. May we be a welcoming place that they can find home.
- We thank the Lord for the provision of rain this week. May we ever be thankful for the many different ways and the different People God uses to demonstrate His provision for us.
- We pray for the Knier family with the passing of Anne's brother, Jake Winters, from cancer this past week

UPCOMING VBS

With the government allowing summer day camps we are hoping to host an outdoor VBS July 5-9, 9am - 12pm for children JK-Grade 6. Activities will include sports, science experiments/crafts, Bible lessons, snacks and songs. Naturally, there are Covid protocols that will need to be followed (similar to what were required for schools) but if you would like to help out with the planning process or serving the week of VBS please contact Pastor Joe. More information will be coming soon.

LORDS SUPPER

On June 20th we will be celebrating the Lord's supper as part of our service. Please plan to prepare for this virtual communion that we will share

SUMMER IN THE PSALMS

Some scholars will that the bible is mostly Prescriptive in its writing, meaning that it informs us. Whereas the Psalms are Performative in nature, meaning they serve to demonstrate for us all of what the Bible informs. Psalms show us wisdom, teach us to lament, express praise, and a myriad of other disciplines.

This summer, beginning June 20th, our two pastors will be spending their summer in the psalms. Each week their sermons will focus on a different type of Psalm, walking us through the entire collection and pointing us to Psalm 151, the psalm that all of us are still writing
