## PRAYERS THIS WEEK

- We give the Lord thanks for all of His provision and protection
- We pray for continued protection from COVID and for unity in the face on continuing restrictions. May we be unified in our love for each other and for the Lord.
- We think of those in our church who are struggling with health issues, for those with cancer, or other conditions, for those recovering from surgery or an accident.
- We give God thanks for our Sunday worship services. What a blessing to have restrictions gradually lifting so we can meet in-person for worship
- We ask God to protect persecuted Christians around the world who can't gather as freely as we do. The freedom we have to gather for worship is something we should be thankful for.
- Pray for those we love who have walked away from Christ and His church. May the Holy Spirit work in their hearts to bring them back to Him.
- We recognize and pray as this week we observed Canada's first national day of truth and reconciliation. Truly, every child matters to Jesus.
