PRAYERS THIS WEEK

- We pray for continued protection from COVID and for unity in the face on continuing restrictions. May we be unified in our love for each other and for the Lord.
- We think of those in our church who are struggling with health issues, for those with cancer, or other conditions, for those recovering from surgery or an accident.
- We give God thanks for our Sunday worship services. What a blessing to have restrictions gradually lifting so we can meet in-person for worship
- We ask God to protect persecuted Christians around the world who can't gather as freely as we do. The freedom we have to gather for worship is something we should be thankful for.
- Pray for those we love who have walked away from Christ and His church. May the Holy Spirit work in their hearts to bring them back to Him.
- We pray for those without power this Sunday morning in our area. We pray for safety as Hydro one completes its upgrades.
- We pray that we can be the church in our lives and in our communities as the spirit gives us opportunities.

THIS WEEK: BIBLE LEAGUE

In more than 40 countries worldwide, Bible League Canada partners with churches, indigenous Christian and community leaders, and local governments. Together with their faithful supporters, they are able to provide Bibles, training and resources for Christians who are working on the ground, delivering the Good News to those who have never heard it

NEXT WEEK: HOPE AND HEALING (CBM)

Hope and Healing International is about seeing through disability to ability. It is about community that is enriched by all its neighbours and about a world where everyone is valued as Jesus values them. Hope and Healing International serves as the hands joining Canadians and people living with or affected by disabilities in the poorest communities – working together for the benefit of all. We envision a world in which people living with or affected by disability are: valued as Jesus values them, accepted as equals and able to achieve their God-given potential.

ANNOUNCEMENTS

COVID GUIDELINES are still in place and physical distancing is to be maintained at all times possible, including in the sanctuary and outside for coffee.

YOUNG ADULT DISCUSSION GROUP

All young adults 18+ are invited to this biweekly group on zoom where we have some fun and good discussion together. The topic theme is "Road Trip to Truth" and we'll look at some of the ideas and arguments you encounter in our society (e.g. evolution) and consider how the Bible should guide us concerning these ideas. The next meeting is this Thursday, Oct 21, 7pm and the zoom link will be emailed to you.

TCS APPLE PIE FUNDRAISER UPDATE

Thank-you to the 43 volunteers and the Grade 7/8 class who helped make **1454 apple pies** for this season! It is estimated that this year's fundraiser raised close to \$10,000 for the school! We'd also like to issue a huge thank-you to Dentz Orchards and Berry Farm for their generous supply of apples to make this annual fundraiser a success! At this time, we have approximately 150 regular apple pies and 4 Splenda pies still available for purchase. If you would like to order more, please contact Debra Vuyk (debrav@gmail.com 613-861-9046) or send an e-mail to the TCS office (office@tcswilliamsburg.ca). Pie pick-up will be at the school. Unfortunately, due to Covid restrictions, the annual Pie Luncheon for volunteers is not able to run this year. We thank you for your hard work and dedication and we hope to see you next year!
