## PRAYERS THIS WEEK

- We pray for continued protection from COVID and for unity in the face of continuing restrictions. May we be unified in our love for each other and for the Lord.
- We pray for the extended Knier family as Anne's sisters husband, Brian, passed away this week.
- We think of those in our church who are struggling with health issues, for those with cancer, or other conditions, for those recovering from surgery or an accident.
- We hold up in prayer the Vandemheen family as Ann has been moved to the Osgood Care Center.
- We pray for Rodney Schell and his whole family as Rodney is in a transition home awaiting a placement in home.
- We give God thanks for our Sunday worship services. What a blessing to have restrictions gradually lifting so we can meet in-person for worship
- We ask God to protect persecuted Christians around the world who can't gather as freely as we do. The freedom we have to gather for worship is something we should be thankful for.
- We pray that we can be the church in our lives and in our communities as the spirit gives us opportunities.

Now this is eternal life: that they know you, the only true God, and Jesus Christ, whom you have sent. John 17:3  
**ETERNAL LIFE = KNOWING JESUS**

## OFFERINGS

### THIS WEEK: HOPE AND HEALING

Hope and Healing International is about seeing through disability to ability. It is about community that is enriched by all its neighbours and about a world where everyone is valued as Jesus values them. Hope and Healing International serves as the hands joining Canadians and people living with or affected by disabilities in the poorest communities – working together for the benefit of all. We envision a world in which people living with or affected by disability are: valued as Jesus values them, accepted as equals and able to achieve their God-given potential

### NEXT WEEK: RESONATE GLOBAL MISSION

Formed by the joining of Christian Reformed Home Missions and Christian Reformed World Missions, Resonate Global Mission, trains missional leaders, guides new churches, and forges partnerships to proclaim and live out the good news of Jesus Christ worldwide. Resonate will continue the good work of Home Missions and World Missions. For more than a century, these two agencies have been introducing people to Christ in North America and around the world. That means continuing partnerships with churches in the United States and Canada to plant churches, do campus ministry, train and equip pastors, and develop future leaders. Additionally, it means sending missionaries overseas, proclaiming the Gospel, and forging lasting partnerships.

You can send donations by E-transfer to [WCRCDonate@gmail.com](mailto:WCRCDonate@gmail.com). Funds destined for second collections should be identified in the comment section

### THANK YOU – FROM THE BOARD OF OUR KENYAN KIDS

The Board of **Our Kenyan Kids** wishes to express our immense appreciation to all the generous people in your congregation for their loyal support and recent donations to our charity. Since our administrative expenses are all covered by fundraising activities (garage sale, sale of Kenyan crafts, etc.) every penny of your donations will go to assist our partners in Kenya who work with orphans and vulnerable children. You are helping to provide food, education, medicines, and other humanitarian aid. The pandemic has had a severe impact in poor countries like Kenya, and our partners have been struggling to meet the basic needs of the children in their care. Your generosity will make a very big difference. Thank you!
