PRAYERS THIS WEEK

- We pray for continued protection from COVID and for unity in the face of continuing restrictions. May we be unified in our love for each other and for the Lord.
- We think of those in our church who are struggling with health issues, for those with cancer, or other conditions, for those recovering from surgery or an accident.
- We pray for Pastor Aaron Thomson and his family as Pastor Aaron has been struggling with a diagnoses of Crohn's disease.
- We hold up in prayer the Vandemheen family as Ann has been moved to the Osgood Care Center.
- We pray for Rodney Schell and his whole family as Rodney is in a transition home awaiting a placement in home.
- We give God thanks for our Sunday worship services. What a blessing to have restrictions gradually lifting so we can meet in-person for worship
- We pray that we can be the church in our lives and in our communities as the spirit gives us opportunities.

Pastor Gregg and Laurie are away on holidays the week of Nov 1st. Please contact any elder in his absence.

Pastor Joe is preaching in Cornwall this Sunday as they are without a minister

THIS WEEK: RESONATE GLOBAL MISSION

Formed by the joining of Christian Reformed Home Missions and Christian Reformed World Missions, Resonate Global Mission, trains missional leaders, guides new churches, and forges partnerships to proclaim and live out the good news of Jesus Christ worldwide. Resonate will continue the good work of Home Missions and World Missions. For more than a century, these two agencies have been introducing people to Christ in North America and around the world. That means continuing partnerships with churches in the United States and Canada to plant churches, do campus ministry, train and equip pastors, and develop future leaders. Additionally, it means sending missionaries overseas, proclaiming the Gospel, and forging lasting partnerships.

NEXT WEEK: WORLD RENEW (WORLD HUNGER)

World Renew (World Hunger) helps Christian Reformed Churches highlight global hunger and participate in a response. Hunger and malnutrition are the number one risk to health worldwide. One in six people in our world do not have enough to eat. By supporting World Renew in their response to world hunger, you are helping fight global hunger and give families the training and support they need to overcome poverty in a lasting way.
