## PRAYERS THIS WEEK

- As we gather this Easter morning, we give thanks to God for the empty tomb, for victory over death, for our redemption to eternal life. Thank you Lord, for loving us. We pray also for the churches of the world, wherever they are, that as they gather, they would be able to boldly and fearlessly proclaim the good news of Easter.
- We lift up the people of Ukraine due to the Russian invasion that is happening. May God's hand of justice and mercy be in this horrifying situation and may other nations work for peace and justice. We pray for all those who have been displaced by this act of war, may they find homes and security in the arms of their neighbours.
- We pray for those who are sick, or lonely, missing someone whom they love. May they find comfort in the arms of Jesus.
- We pray for those who are experiencing COVID in their homes. Be it personally or with someone they love. Give them healing and assurance we pray.
- We give thanks that as more and more health guidelines ease, we get a sense of normality in our lives. And we pray in that light, that as we begin to venture out again, we would be safe and have no fear

THIS WEEK: RESONATE GLOBAL MISSION

Formed by the joining of Christian Reformed Home Missions and Christian Reformed World Missions, Resonate Global Mission, trains missional leaders, guides new churches, and forges partnerships to proclaim and live out the good news of Jesus Christ worldwide. Resonate will continue the good work of Home Missions and World Missions. For more than a century, these two agencies have been introducing people to Christ in North America and around the world. That means continuing partnerships with churches in the United States and Canada to plant churches, do campus ministry, train and equip pastors, and develop future leaders. Additionally, it means sending missionaries overseas, proclaiming the Gospel, and forging lasting partnerships. <https://www.resonateglobalmission.org>

NEXT WEEK: FOOD GRAINS LOCAL PLOT

The mission of Canadian Foodgrains Bank is to end global hunger. They do this by collecting grain and cash donations for projects in many countries all around the world. They also manage the procurement and supply of food commodities and engage in public policy and education activities related to hunger and food security. The projects they support provide food assistance to people with immediate food needs, help communities to improve food security (provide food for themselves in the longer-term) through improved agricultural techniques, and help families and communities improve their nutrition. <https://foodgrainsbank.ca>
