PRAYERS THIS WEEK

- We thank the Lord that spring is in the air and crops being planted in the fields. We pray for strength and safety as the farmers do their work in this busy season. And we pray for the lord's provision as the crops grow.
- We lament the suffering in the world and the violence that so often causes it. We lament such hatred that would cause someone to take up arms against the innocent. We pray for the families of those affected in Texas this week.
- We pray for those how are recovering from a surgery or injury. We pray for Mac and Michael and any others. May the God of all comfort be their strength as they heal.
- We pray for those who are suffering the effects of a long disease, who are in nursing homes, who near the end. We pray for comfort for them and their families.
- We continue to lift up the ongoing conflict in Ukraine and also between Israel & Palestine. We remember those who have lost loved ones or those who have been displaced. May God be merciful and may aid reach those who need it the most.
- We pray for wisdom and guidance as we draw closer to our provincial election. We pray for strong leaders who will love and serve well
- We pray for our elders and deacons. We thank the lord for those whose terms of service is now complete and we pray for wisdom and strength for those who were newly installed.
