THIS WEEK: OPEN DOORS

Open Doors’ vision is three-fold. First, their vision is to strengthen and equip the Body of Christ living under or facing restriction and persecution because of their faith in Jesus Christ, and to encourage their involvement in world evangelism by providing Bibles and literature, media, leadership training, socio-economic development and intercessory prayer. Second, it is their aim to prepare the Body of Christ living in threatened or unstable areas to face persecution and suffering. Third, their goal is to educate and mobilize the Body of Christ living in the free world to identify with threatened and persecuted Christians and to be actively involved in assisting them. <https://www.opendoors.org/en-US/about/statement-faith/>

NEXT WEEK: THE BIBLE LEAGUE

In more than 40 countries worldwide, Bible League Canada partners with churches, indigenous Christian and community leaders, and local governments. Together with their faithful supporters, they are able to provide Bibles, training and resources for Christians who are working on the ground, delivering the Good News to those who have never heard it. <https://bibleleague.ca>
