### THIS WEEK: OTTAWA CHRISTIAN REFORMED

**CAMPUS CHAPLAINCY** The Ottawa Christian Reformed Campus Chaplaincy is working to establish a generous space for faith within the University of Ottawa. We are working to find the places where faith intersects with learning and do so through an open chaplaincy office, meeting with student groups for various events and topics, and showing up in classrooms and at events in order to bring a Christian faith presence and perspective into the life of the University. The hope and dream is to see an avenue of Christian worldview development among students that serves God and benefits the community life of the University. <https://ottawacampuschaplaincy.org>

**NEXT WEEK: MOSES & KAREN LUBBERS-ODEL** We live and serve in a young, "Christian" country that struggles with many problems. There is corruption, poverty, twisted theologies, heretical teachings, and prosperity Gospel, poor education, poor health, social and political stress, adverse changes in weather patterns, ignorance, and, cultural changes due to technological advancement. We have a vision of seeing a generation of children and young people searching out Scripture and living their lives for and after Christ, fulfilling the Great Commission and transforming their communities with the whole impact of the Gospel of Jesus Christ. We desire to see economically, physically, and spiritually oppressed lives and communities changing practically in the name of Jesus.
