THIS WEEK: KAREN & MOSES LUBBERS-ODEL

We live and serve in a young, “Christian” country that struggles with many problems. There is corruption, poverty, twisted theologies, heretical teachings, and prosperity Gospel, poor education, poor health, social and political stress, adverse changes in weather patterns, ignorance, and, cultural changes due to technological advancement. We have a vision of seeing a generation of children and young people searching out Scripture and living their lives for and after Christ, fulfilling the Great Commission and transforming their communities with the whole impact of the Gospel of Jesus Christ. We desire to see economically, physically, and spiritually oppressed lives and communities changing practically in the name of Jesus.

NEXT WEEK: OTTAWA CHRISTIAN REFORMED CAMPUS

CHAPLAINCY: The Ottawa Christian Reformed Campus Chaplaincy is working to establish a generous space for faith within the University of Ottawa. We are working to find the places where faith intersects with learning and do so through an open chaplaincy office, meeting with student groups for various events and topics, and showing up in classrooms and at events in order to bring a Christian faith presence and perspective into the life of the University. The hope and dream is to see an avenue of Christian worldview development among students that serves God and benefits the community life of the University.

Dear congregation of WCRC: I wanted to take this opportunity to thank you for your generous gift to CCO (Christian Counselling Ottawa). Our therapists are working hard to meet the demand for therapy that the events in the last few years have caused. Many in our community are facing financial challenges as well as other issues. It is through gifts like yours that we are able to assist those who would not otherwise be able to afford therapy. May the Lord bless you all abundantly. Christian Counselling Ottawa
